## ANNUAL OPERATING BUDGET IMPACT (\$000)

### DESCRIPTION

This project schedules renovation/replacement of aging, unsafe, or obsolete non-local park facilities or components of park facilities, e.g., playgrounds, athletic fields, and tennis/multi-use courts; renovation or replacement of major building components, e.g., HVAC systems, mechanical/plumbing equipment, and electrical systems; and renovation or replacement of fuel tanks. PLAR also funds renovations needed to comply with the Americans With Disabilities Act (ADA). Non-local parks include regional, recreational, stream valley, and special parks and conservation areas. The largest components of PLAR: NL are play equipment replacement and renovations: replacing complete play units or components, including play borders, amenities, and surfacing; replacing electrical service and lights to ballfields; replacing water lines and fountains, street and facility lights, walkways, fencing, etc.

### JUSTIFICATION

Over 100 non-local parks and facilities require scheduled renovation in order to maintain a reasonable level of service for park users and avoid costly emergency repairs. New play equipment replaces units 15-30 years old. With normal use, play equipment life span is 20-25 years; the life span of older wood units is 15-20 years. Consumer Product Safety Commission guidelines address playground installation and child safety. Standards for play equipment design/manufacture are undergoing intense national scrutiny. Some entire play units/components of units have been removed from parks because they do not conform to these guidelines. In addition, one-third of the activities on the play unit are required to be accessible to all children. Play amenities include the play area border and protective surfacing under equipment, as well as benches and trees to shade the play equipment, if needed.

### Cost Change

Increase due to the addition of FY09 and FY10 to this ongoing program.

### STATUS

Ongoing.

### OTHER

The following repairs are funded through other PDFs: repairs to parking lots, entrance roads that are not park roads, and any type of walkway or trail which is not part of the hiker-biker system; repairs to park roads including Beach Drive, Sligo Creek Parkway, and Little Falls Parkway; repairs to hiker-biker trails; and repairs to natural surface trails.

\* Expenditures will continue indefinitely.

### APPROPRIATION AND EXPENDITURE DATA

Date First Appropriation	FY05	(\$000)
Initial Cost Estimate		0
First Cost Estimate		
Current Scope	FY05	0
Last FY's Cost Estimate		5,853
Present Cost Estimate		4,644
Appropriation Request	FY05	567
Appropriation Req. Est.	FY06	594
Supplemental Approp. Req.	FY04	0
Transfer		0
Cumulative Appropriation		1,242
Expenditures/Encumbrances		34
Unencumbered Balance		1,208
Partial Closeout Thru	FY02	0
New Partial Closeout	FY03	3,637
Total Partial Closeout		3,637

### COORDINATION

Montgomery County Department of Recreation  
Resurfacing Parking Lots and Paths, PDF 998740  
Resurfacing Park Roads and Bridge Improvements, PDF 868700

Trails: Hard Surface Renovation, PDF 888754  
Trails: Natural Surface Trails, PDF 858710

M-NCPPC asserts that this project conforms to the requirements of relevant local plans as required by the Maryland Economic Growth, Resource Protection and Planning Act.
